

What is AFPAAS?

AFPAAS is the Air Force Personnel Accountability and Assessment System. It is a website designed to help Air Force personnel and their families directly affected by natural and man-made disasters.

Update Current Accounting Status
Update Contact/Location Information ("My Info" tab)
Add/Remove Family Members
Update Family Members Contact/Location Information

Why is AFPAAS needed?

AFPAAS provides a tool to report your status, current location, update emergency contact information and request assistance.

AFPAAS helps the Air Force leadership to account for personnel and to make decisions that support you and your family.

Additional Resources

Home Page for timely, changing information
Reference Library (phone number, websites, instructions, policies, etc.) provided for employees to have access to resources

AFPAAS Home Page and Reference Library

Who can use AFPAAS?

AFPAAS is available to all Air Force affiliated personnel and their family members. This includes Active Duty, Select Reserve, DAF and NAF Civilians, AF Contractors (OCONUS), and their family members, including personnel on temporary duty status, on leave or on a pass in the affected area.

Where is AFPAAS on the Internet?

What if I do not have access to the Internet?

If you are displaced from your home or office, or do not have access to a computer, you can contact someone with Internet access and ask them to use AFPAAS on your behalf. You can also access AFPAAS from any computer available to you. Alternatively, you can request assistance from local authorities and relief agencies. If you don't have Internet access, call your command representative or one of the telephone numbers below:
