Alligator Capitol of the World

Updated 24 March 2021

Adult: 13+, Child: 3-12

For over half a century, Gatorland has been creating fond vacation memories for millions of visitors who have entered through its gaping gator mouth entrance. Families, friends and employees alike have ventured through the glass double doors on their way to a journey through this natural, low-tech adventure. Located between Orlando and Kissimmee on the South Orange Blossom Trail, Gatorland is one of Central Florida's oldest attractions, and provides a unique and natural alternative to the larger theme parks of today.

Gatorland has plenty of fun for everyone. Be sure to take part in as many of these as you can: The Gator Junparoo Show, Up Close Encounters, the Gator Wreslin' Show, Jungle Crocs of the World, Alligator Breeding march, Allies Barnyard Petting Zoo, Rookie Wreslin' Photo, the Swamp Walk , The Avery, and Gator Gully Splash Park. After you've seen everything possible, and worked up an alligator sized hunger stop by Pearl's Smokehouse to rest your feet and tempt your tummy. The kids will love their own menu of special treats.
