Child 5 – 12 years old

Titanic Museum Attraction in Pigeon Forge is a celebration of the ship, passengers and crew! It is said that the best way to respect and honor those who gave their lives is to simply tell their stories.

Located at 2134 Parkway in Pigeon Forge, Tennessee, in an astounding, signature building built half scale to the original ship. Towering 100' above the highway, it holds 400 priceless artifacts in 20 galleries. The museum is anchored in water to create the illusion of the Titanic at sea. Enjoy the 90-minute self-guided tour designed to give each guest the sensation of being an original passenger on the Titanic's 1912 maiden voyage.

There Are Always Reasons to Visit our Titanic Museum Ship! In 1987 - Thirty Years Ago the owner of the Titanic Museum Attraction, John Joslyn, co-led a Titanic expedition. The team spent 44 days at sea, and they did 32 dives to the Titanic. Today, as owners of the Titanic Museum Attraction for 11 years, our hearts have been given to the ship. We thank our crew for being part of this Titanic family, and for the compassionate and caring ways they interact with our valued guests. Facts about the Titanic Museum Attraction: The Grand Staircase was built actual size from the blueprints. It cost over a million dollars to build the Grand Staircase. You will be able to walk the Grand Staircase. Over 400 REAL Artifacts are on display. Our Guests can play our Titanic Baby Grand Piano. You can touch the 28-degree water. And touch a growing iceberg. KIDS enjoy the Titanic. They are our Future Titanic Storytellers! We have many interactive areas for them. They receive their own Boarding Pass of a real child passenger. You will enter as our guest and leave as a Titanic Passenger.
