

KENNEDY SPACE CENTER

Updated 13 June 2022
Adult: 12+, Child: 3-11

Your Orlando vacation is not complete without a trip to Kennedy Space Center. Just 45 minutes from popular Orlando attractions and theme parks is NASA's launch headquarters – the only place on Earth where you can tour launch areas, meet an Astronaut, see giant rockets, train in spaceflight simulators, and even view a launch.

Experience more on your vacation to Orlando with a daytrip to Kennedy Space Center Visitor Complex, where the sky isn't the limit- it's just the beginning. Plan on a full day to explore NASA's launch headquarters, located on a huge island wildlife refuge eight times the size of Manhattan. Each year, millions of visitors from across the world make the trek to this hub of technology and discovery, where many of mankind's greatest accomplishments take place.

At Kennedy Space Center Visitor Complex, you get the unique chance to tour – up close- NASA's launch and landing facilities. Experience interactive simulators, live shows and jaw-dropping encounters with massive rockets, as well as have an opportunity to meet a real member of NASA's Astronaut Corps. It's all what you can expect from an inspiring day at Kennedy Space Center.

John Glenn, Neil Armstrong, Sally Ride and Jim Lovell are just a few names of the brave men and women that have launched into space from Kennedy Space Center, and now it's your turn to become a part of the space program. Your full day of exploration includes real space hardware, authentic attractions, inspiring exhibits and hands-on experiences that will make KSC the highlight of your Florida vacation. The incredible accomplishments of the Apollo moon program return to life in the amazing Apollo/Saturn V Center. In back-to-back IMAX theaters, you'll feel the thrill of space exploration on five-story screens look at Kennedy Space Center's working space flight facilities. Strap in and experience interactive space flight simulators at the Astronaut Hall of Fame. Touch a real piece of Mars; see gigantic rockets, aboard the Space Shuttle Explorer and much more.
