MEMORANDUM FOR ALMAJCOM-DRU-FLDCOM/A1/S1

FROM: HQ USAF/A1
1040 Air Force Pentagon
Washington DC 20330-1040

SUBJECT: Name change from Airman & Family Readiness Center (A&FRC) to Military & Family Readiness Center (M&FRC)

With the establishment of the United States Space Force, the name “Airman & Family Readiness Center” is not fully inclusive of both the United States Air Force and Space Force supported populations nor does it represent the diverse military communities within joint environments.

To improve inclusivity and alignment in current operating environments of Department of the Air Force (DAF) delivered family readiness services, former A&FRCs are hereby renamed to M&FRCs. AF/A1S will provide funds to update the signage, building markings, and marketing materials through routine M&FRC funds distribution processes.

A strategic communication plan and revisions to applicable directive issuances will follow to ensure the DAF community is aware of the name change. This memorandum does not constitute authority to rename specific facilities as memorialization efforts, pursuant to DAFMAN 36-2806, *Awards and Memorialization Program*, Chapter 4.

The AF/A1S POC is Ms. Kari Merski, kari.merski@us.af.mil and the AFPC/DPFF POC is Ms. Vonda Ware, vonda.ware@us.af.mil.
