Parent Notes: If your child is picked up or dropped off in multiple locations (ex. PM at home or PM at YC) please complete all information on one form by checking both blocks. This form DOES NOT register your child in before or after school care; it directs the school bus contractor for bus pick-up and drop-off locations based on prior arrangements made by the parent/guardian. The bus schedule and stops are established in accordance with a contract through Minot AFB, this includes specifics of school times and bus stop spacing. Bus routes are determined by provisions in this contract to meet the need of the Minot AFB community as a whole.

Behavior Agreement: I, the student sponsor, acknowledge that I have or will review the School Bus Behavior Standards available on this form or on the Minot Air Force Base School Liaison website <http://www.minot.af.mil/units/schoolliaisonofficer.asp>. I have explained school bus behavior standards and necessity for those standards to my student and I have explained that I expect these school bus behavior standards to be followed. Disciplinary action may be taken for misbehavior which could include suspension or revocation of bus rider privileges. I understand that a digital video recorder device with a camera and microphone is installed on all school buses to aid in the safe transportation of student passengers. I also understand and agree to reimburse the bus contractor for the cost incurred by the contractor to repair damage caused by my student's misconduct to the school bus.

Registration: Winter bus service runs 7 Nov 22 – 31 March 23. All students must have a signed Winter Bus Transportation Agreement on file with the bus contractor prior to first bus ride. Late submissions may be processed but are not guaranteed acceptance; those students will not have bus access, unless otherwise determined.

Please send your completed forms to Yellowfin.Minot@bragglines.com

If your student is riding a school bus, please know that safety is a priority. The bus ride is considered as an extension of the school day. Therefore, it is important that students understand all school rules that apply while riding on the bus.

Additionally, buses are equipped with video cameras which record both visual and audio.

Please review the safety regulations below with your student. Remember the bus is an extension of the school and classroom and those rules apply as well. Failure to comply with these safety regulations may lead to a suspension of bus privileges.
