

5 MDG Pharmacy Pilot Prescriptions Activation App

Step 1: Download the “DosePharm” mobile application to your device.

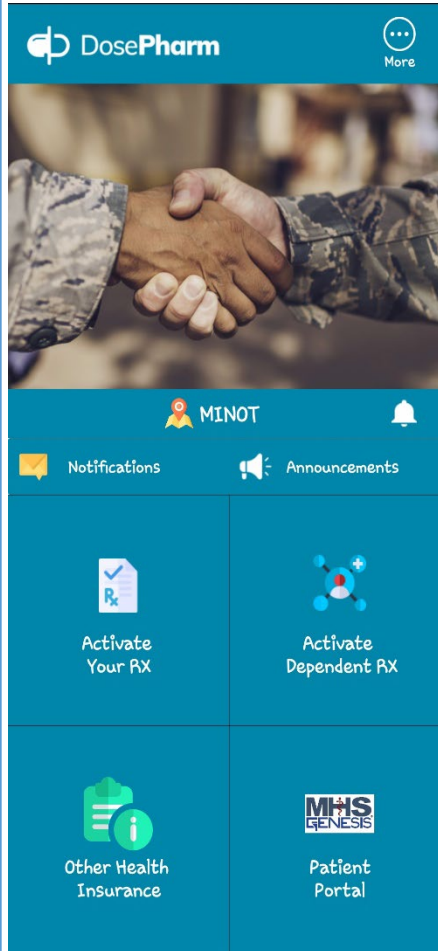

Step 2: “Sign Up” and Register your account. Make sure to select “Minot” as your Pharmacy.

Step 3: Confirm your email confirmation code.

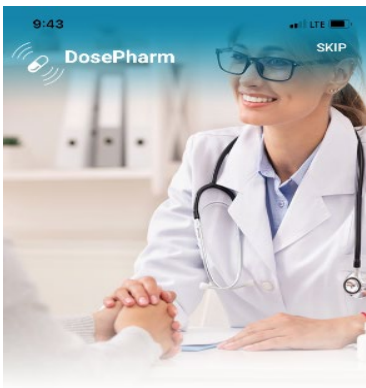

Step 4: Login and enjoy the following features!

1. **Activate Your NEW RX**
2. **Activate Dependent NEW RX (add dependent)**
3. **Add/Update Other Health Insurance**
4. Access the MHS Genesis Patient Portal
5. Receive “Notifications” from Pharmacy regarding your prescription status.
6. Receive “Announcements” from Pharmacy.
7. Access the “Tricare Formulary” search tool via “...More”
8. Receive “Support & Feedback” via “...More”

KEY NOTES:

1. Be sure to Allow notifications on your mobile device for the DosePharm mobile application to receive real time Notifications and Announcements from Pharmacy.
2. Make sure to add “Other Health Insurance” and update annually. Follow the prompts and enter all that applies.
3. “Add Dependent” to activate prescriptions specifically for your dependents under the age of 13 years old.
4. You can edit your Profile and Dependents via “...More” → “User Management”
5. Please call the pharmacy if you have urgent questions or urgent needs. Thank you for using the DosePharm app!

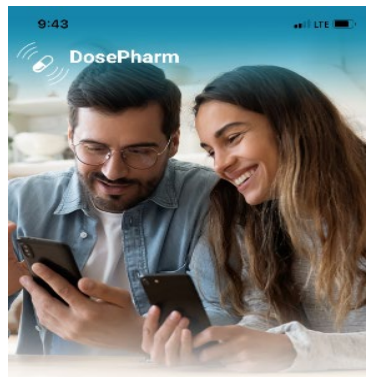

Welcome!

We're so excited that you're joining our DosePharm family. And like a family, we're here to support you, in sickness and in health.
