Air Force Continuous Process Improvement (CPI)

What is AF CPI?

CPI increases operational capabilities while reducing associated costs by applying proven techniques to all processes associated with fulfilling the AF mission.

What is the goal of AF CPI?

To eliminate waste while maximizing customer value.

How does AF CPI accomplish this goal?

By using widely accepted process improvement methodologies including Lean, Six Sigma, Theory of Constraints, and Business Process Reengineering.

How do I get started applying CPI principles?

Attend a Green Belt Preparatory class (offered quarterly) conducted by the 5th Force Support Squadron Manpower Office at the Education Center.

How do I sign-up for the Green Belt Preparatory class?

Sign-up by sending us an email:
5fss.cpi@us.af.mil
(Minot CPI)

Let us know what class date you would like to sign up for.

Are there any pre-class readings/assignments?

One week prior to class, you'll receive an email w/all the pertinent information.

How do I become Green Belt certified?
