Family Support**

*Helping families find and access
resources and services.*

What is Exceptional Family Member Program (EFMP)?

EFMP is a Department of Defense program offered by all branches of the military. It is a mandatory enrollment program for all active duty Airmen who have a special needs family member.

The program is comprised of three components:

- EFMP - Medical (EFMP-M)
- EFMP - Assignments (EFMP-A)
- EFMP - Family Support (EFMP-FS)

These components work toward the common goal of providing comprehensive and coordinated support to families.

Who is an Exceptional Family Member (EFM)?

An Exceptional Family Member (EFM) is a family Member enrolled in the Defense Enrollment Eligibility Reporting System (DEERS) who has a diagnosis that requires ongoing specialized medical and/or educational services

Examples might include, but are not limited to, a family member (adult/child) with Diabetes, Cancer, Asthma, Depression, ADHD, Developmental Delay, etc.

What is AF EFMP Respite Care?

AF EFMP Respite Care provides a temporary rest period and down time for parents who have children with special needs.

Participants can use up to 40 hours per month for those who meet the following eligibilities:

- EFM child(ren), age's birth through 18 years, diagnosed with moderate or severe special needs
- Siblings, ages birth through 12 years
- EFM child(ren) must reside with the Airman who must be active duty, Guard, or Reserve if activated for at least 31 days.

If you are interested in the AF EFMP Respite Child care program as a provider or a recipient, contact the Family Child Care (FCC) Coordinator at (701) 723-6662.

How do you enroll in EFMP?

You must complete a DD 2792 and/or 2792-1, and upload any applicable attachments via the DAF Family Vector website.

An administrative review is performed to determine medical and/or educational eligibility.

If your family member qualifies to be enrolled or needs to continue to be enrolled in the Exceptional Family Member Program (EFMP), the MPS staff adds a Q-code to the Airman's record in MilPDS as a designation for enrollment in EFMP.
