

Kids Included Together (KIT)

1. Go to elearning.kit.org
2. Create an account under Military and Affiliate (Pre-Paid Access)
3. In Kit Academy, there is no more need to remember a username.
You will only use your email and a new password you will create the first time you login.
4. Contact support@kit.org if you need assistance

There are 5 total certificates to complete.

There are 2 that you must complete prior to licensing:

1. The Value of Disability Inclusion (Module 1)
2. Supporting Children and Youth in Family Child Care

There are 3 that you must complete within the first 6 months of employment:

3. Respectful Accommodations (Module 2)
4. Viewing Behavior as Communication (Module 3)
5. Partnering with Families (Module 4)

Please give your certificates to the FCC Office

*due
within 90
days of
certification*

*Try to do
before licensed*

How to Setup Your KIT Account

1. Go to <https://elearning.kit.org>
2. From a computer: On the left side of the screen, Create Military Account

From a phone: KIT Academy Sign In. Select blue button: "Military Learners Sign In Here"

3. Fill out the information
4. From the same email you used to create the account, email support at techsupport@kit.org

Let them know you are trying to create an account and need login information to complete some required modules for your FCC Certification.

Make sure you include your name, contact information, and location: Minot AFB, ND

5. You will receive an email with your username and password

If the password they send you doesn't work, email them back and they will send you a new one.
