### Special Activities

School Age Care participates in and hosts many special activities and events throughout the year. Some of these activities are through the Boys and Girls Club, 4H, or oth-er community based events.

- Boys and Girls Club- School Age Care
   offers youth the opportunity to participate
   in many BGCA sponsored events and clubs.
   Each year we host the annual Fine Arts
   Exhibit, Image Makers, Global Youth Day of
   Service and more!
- BGCA Power Hour- Power Hour is the time dedicated to homework help. Power hour occurs during the school year everyday from 400-5:00. Youth can then take time to complete homework or read a book.
- 4H- We offer youth the opportunity to participate in 4H curriculum through weekly lesson plans and regularly scheduled clubs.
   We incorporate varied topics such as cooking, agriculture, robotics, engineering, leatherwork-ing, assorted crafts and more.
- Community Service- The School Age Care Program sup-ports our local community by involving youth in monthly community service projects. We encourage parents to offer suggestions and lend a hand in these projects.
- Parent Involvement- We sponsor a parent involvement event every month. We may have a special breakfast, hold a dance, have an open house and many other events.
   Parents are welcome in the program at any time, even during meal times! Please stop in and spend some time with us!
