Air Force CI² FAQ

What is AF CI²?

CI² increases operational capabilities while reducing associated costs by applying proven techniques to all processes associated with fulfilling the AF mission.

What is the goal of AF CI²?

To eliminate waste while maximizing customer value.

Yellow Belt FAQ

How do I get started applying CI² principles?

Attend the Yellow Belt Process Improvement Fundamentals class conducted by the 5th FSS Manpower Office at the Atomic Spark Innovation Lab.

Are there any pre-class readings/assignments?

One week prior to class, you'll receive an email with all the pertinent information.

How do I sign up for the Yellow Belt Fundamentals Class?

Scan the QR code to sign up.

Green Belt FAQ

How do I become Green Belt certified?

Step 1: Register for the CI² Online Course at:

usaf.opusworks.com

Step 2: Complete the course and pass all the required tests.

Step 3: Facilitate a CI² event and submit the completed A3 up to AFGSC for approval.

Recommendations from the Manpower & Organization Flight:

Sign-up and attend the Yellow Belt Process Improvement Fundamentals class taught by Manpower.

This 2-day course is designed to give you the tools to help you improve processes within your unit and aid you with the CI² online course.
